Please Remember To Put Your TA’s Name On Your Homework

NOTE:
You may use MINITAB for any problem, if you find it useful. But you will be responsible on exams and quizzes for doing these problems using calculators, and almost certainly without access to MINITAB.

You are required to turn in problems in Item #1. You must still solve all problems, as they will be useful for quizzes and exams.

1. Text Book Chapter 6, Problems: 46, 56, 74, 106
   Text Book Chapter 8, Problems: 16 (both "large sample" and plus four" intervals),
   22 (in(d), do the plus four interval also)(also in(d) comment about whether it is appropriate to use the "large sample" interval),
   24

2. Text Book Chapter 6, Problems: 71, 76, 82, 83, 84
   Text Book Chapter 7, Problems: 6, 8, 11, 13, 16, 20
   Text Book Chapter 8, Problems: 2, 19, 21, 25
