Homework Assignment 8

Due Friday, November 20

Problems

Do the following problems from the text. In chapter 4, problems 4.56, 4.62, 4.63, 4.64. In chapter 5, problems 5.1, 5.2 and 5.3.

Reading

To keep pace with the lectures, read sections 4.7 and 4.9. In 4.9, if 4.9.3 is a bit fuzzy after reading, that's fine. See exercise 4.61 for a resolution of the issue in 4.9.3. Also, read section 5.1 and get a start on section 5.2.
