Homework Assignment 9

Due Monday, November 30

Problems

Do the following problems from the text. In chapter 5, problems 5.6, 5.8, 5.10, 5.11, 5.12, 5.15 and 5.16.

Reading

To keep pace with the lectures, read sections 5.2 through 5.4. Also, get a start on the topic of convergence by reading sections 5.5.1 and 5.5.2. At this point in the sequence, the motivation for studying convergence is scant. Once you get to estimation, the reasons for studying convergence and the subtle differences between the types of convergence will take on much more meaning.
